IF BACKACHY OR KIDNEYS BOTHER

EAT LESS MEAT ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

SAGE TEA DANDY TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea Recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

PLEADS FOR CLEMENCY

MRS. CORNELIA RICE SHANNON AND HER HUSBAND, LESLIE J. SHANNON.

CHICAGO, Jan. 26.—Convict No. 2420, a second term in Joliet prison, has made to Warden Zimmer the most fascinating plea for clemency ever placed on the penal records of this state.

Before Convict No. 2420 entered Joliet the first time he was known to the world as Robert A. Ward, a young Chicago street doer. During the intervals of his release and his second incarceration he was Leslie J. Shannon, noted writer, expert criminologist and fiance of Mrs. Cornelia Rice, niece of the late vice president, James Schoolcraft Sherrin.

He has written an appeal to Warden Zimmer asking him to use his influence with the parole board, which meets in March, in gaining his freedom. In this he tells his whole life story. He does not spare himself while he relates how he first ran afoul of the law and was sent to prison.

But with freedom came rehabilitation. He worked, and tremulous odds, and finally found himself as a writer when he won \$100 in a prize essay contest. This simple prize thus opened the door of opportunity to him.

Hog Market Has a Firm Tone With no Change in Prices

(Courtesy The Journal.)
 PORTLAND, Ore.—There was a steady to strong tone in the market for swine at North Portland during the day. Receipts were small and the best offerings available sold at \$7.40 or the same as the transactions of Monday for similar quality.

Cattle Market is Quiet.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is cancer. The cure being greatly influenced by sensitive physical conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

ENLISTMENT BILL IS PASSED IN COMMONS

LONDON, Jan. 25.—The military service bill passed the third reading in the house of commons by a vote of 383 to 35.

The bill was immediately sent to the house of lords and its first reading was given. The second reading will be taken in the house of lords Wednesday, and parliament will be prorogued Friday.

The fact that the minority against the bill was virtually only a third of that on its first reading is considered a great triumph for Premier Asquith and for Andrew Bonar Law, who directed its course, and although last night's debate showed that many labor members are still suspicious, there is no doubt that general opposition to the measure has diminished enormously since its introduction and that the feeling of the country is strongly with the government.

Mr. Bonar Law, in his speech winding up the debate, remarked on the wonderful change since the first reading of the bill, which, he said, was a

compromise between those who thought that it went not far enough and those who believed it went too far.

Snow Exhausts Mail Man.
 HILLSBORO, Ore., Jan. 25.—When Arthur Mittenberger, carrier on rural route No. 1 failed to return late Saturday, friends became alarmed and organized a searching party, with the result that the carrier was found at midnight in bed at the Charles McCredy place, which he had reached in an exhausted condition two hours before.

Mittenberger usually covers his route by 4 p. m., but drifts delayed him, and when his sled upset and stuck in the snow near the old Sewell

place night had far advanced. He was unable to right the outfit without assistance, and, unhitching the horse, was barely able to reach the McCredy place.

FROST EXPERT NAMED.

WASHINGTON, Jan. 25.—Representative Hawley has been notified that the weather bureau will detail a competent special employe for frost service duty in the Rogue River valley. The bureau of plant industry will investigate diseases affecting the prune industry in the Willamette Valley, where the losses last season were nearly 50 per cent.

The bureau will co-operate with Oregon Agricultural College.
